1. Financial Well-being for the Young Pharmacist Event – PSSA YPG x PPS x PSSA CWP

The PSSA YPG, in collaboration with PPS, is excited to extend a warm invitation to our upcoming event “Financial Well-being for the Young Pharmacist”. Embarking on the journey of receiving your first pay-cheque is undeniably exhilarating, yet intimidating. Financial independence offers joy and freedom but requires a keen understanding of personal financial responsibilities.

To help you navigate this pivotal phase with confidence and clarity, the PSSA YPG, in collaboration with PPS and the Cape Western Province Branch of the PSSA is hosting an event titled “Financial Well-being for the Young Pharmacist” on Thursday, April 11, 2024. At this event esteemed speakers from PPS will delve into essential financial topics tailored to early career professionals. Young pharmacists will gain valuable insights and strategies to navigate personal budgeting, investments, and retirement planning, as well as debt, credit scores, and insurance.

In addition, we are honoured to have a YPG alumna share insights from her experience in professional societies.

After attending this event, attendees will:

1. Understand how to create a budget.
2. Gain more knowledge on investments and retirement planning.
3. Understand the concepts of debt, credit score, and insurance.
4. Obtain a deeper appreciation for the profession and create life-long connections.
